MOBINASA.COM

SERVICES

Mobin Asa Tarabar International Transportation Company, holding an international transportation license from the Ministry of Roads and Urban Development, is capable of operating in the field of international freight transportation and warehousing. With a wide range of transportation methods, we offer services including air, road, and sea freight.

AIR FREIGHT SERVICES

Shipping to/from all European and Asian countries

Mobin Asa Tarabar International Transportation Company, in partnership with international airlines such as Qatar Airways, Lufthansa, Turkish Airlines, Mahan Air, and Iran Air, provides extensive service to/from various origins/destinations worldwide. With numerous representative offices, we offer Ex-Works shipping and handle customs formalities at the origin. Our air freight services to/from European countries include destinations such as Germany, Italy, France, Spain, the Netherlands, Romania, the United Kingdom, Poland, Sweden, Denmark, Norway, and more.

Considering the extensive trade between Iran and East Asian countries, including China, India, South Korea, etc., our company, with specialized representatives in major ports of these countries, provides air freight services to/from these destinations.

Document Switching Services:

- Switching of documents at the origin for import shipments from Europe and East Asian countries.
- Switching of documents for other countries via Turkey and the UAE.

Document Switching Services:

- Possibility of switching documents at the origin for import shipments from Europe and East Asian countries.
- Possibility of switching documents for other countries via Turkey and the UAE.

SEA FREIGHT SERVICES

Transportation of sea shipments as FCL (Full Container Load), LCL (Less than Container Load), and BULK cargo from the world's leading ports to all ports in Iran.

Mobin Asa Tarabar International Transportation Company, with experienced and professional agents in all countries around the world, transports your shipments in the fastest time and at the lowest rates to all customs and ports in Iran and even the world.
